

SQEP Ltd are recruiting!

Role title: Systems Safety Consultant

Contract type: Permanent

Annual salary: £30,000-£45,000 + bonus + benefits

Location: Bristol and Bath Science Park and/or homebased with some travel within the UK

We have a vacancy for a Systems Safety Consultant to join the SQEP Ltd team. We are a well-regarded, close knit team, of talented subject matter experts, renowned for our ability to deliver. Our ethos is focused on customer satisfaction, equality, teamwork, support and development, and engendering a healthy home/work life balance.

Ideally, you will be suitably qualified with experience of system safety risk assessment; however, your fit within a team that holds its values and corporate social responsibilities as key, is as essential as your ability to deliver technical support to our clients.

As a Systems Safety Consultant you will plan, conduct and report on systems safety assessments of vehicles, aircraft and equipment designs and modifications against applicable regulations, standards and specifications. You will be surrounded and supported by experts in systems safety and provided with professional career development and sustainment. You will work closely with clients, representing SQEP Ltd in both behaviour and ability.

The successful candidate will be able to demonstrate the following:

- Presentation and communication skills
- Ability to work in a team
- Ability to build effective relationships
- A holistic knowledge of land and/or air systems
- Knowledge of system safety engineering
- Experience with common safety tools and techniques
- A desire to develop skills and expertise
- Ability to hold a security clearance

We offer a range of benefits, including:

- Structured career progression
- Excellent salary
- Annual profit related bonus
- Pension contributions
- 30 days paid holiday plus 8 Bank Holidays per year
- Private medical and dental insurance
- Death in service
- Support to professional registration and payment of fees
- IT and phone to support remote-working
- Cycle to work scheme
- Flexible working

If you are looking for a new challenge and development as a Systems Safety Consultant within a supportive team of talented subject matter experts, we would love to hear from you.

SQEP Ltd really do live our company values, we are an equal opportunities employer and welcome applications from all sections of the community. As a signatory to the Armed Forces Covenant, we will interview and consider all UK military veterans, reservists and their families. Within the context of Reserves and military family's employees, flexible support to mobilisations and training/ deployment, injury or during bereavement is also available and, also, additional leave allowance where applicable.

To apply for this role, please send a CV and covering letter to hr@sqep.com.
